Mission Statement

We strive to enhance and improve our community by providing a fun and safe environment for youth and adults to recreate, learn, and enjoy quality leisure time.

Sportsmanship

At Draper Parks and Recreation, sportsmanship isn't just something we talk about, and it's not optional. Our goal is to promote good sportsmanship and fair play for all participants, coaches, spectators, officials, staff and any others involved in our programs. We need to attain this goal.

Act like you know you should and demonstrate a high level of class and sportsmanship.

Youth Team Information

Draper City allows youth participants to register for a program and request to be placed on the same team as their friends, or register as a team. We do this for several reasons: the safety of kids, parents knowing coaches, transportation issues, fun, comfort, etc. We do not discourage individual registration, but do make it possible to request other players or a team. We do reserve the right to limit "competition" league players per team or move a team to a proper league to ensure fairness for all.

When possible, we try to keep youth within the Canyons School District elementary school boundaries.

Notice of Background Check for all Volunteers

In an effort to keep everyone safe while volunteering in an official Draper City capacity, all volunteers are required to submit to a Criminal History Background Check. This requirement is for all volunteers such as: youth coaches, program volunteers, committee members, Parks and Recreation staff, instructors, etc. This is done for the security and safety of our residents. We thank you for your support.

New Disc Golf Course

A new 18-hole disc golf course is planned in the existing open space north of the Jordan River Rotary Trailhead and east of the Jordan River. The course will be the first disc golf course in the south part of Salt Lake County, and will be designed to cater to those new to the sport. The improvements will include 18 concrete tee-pads, baskets, signs, trailhead kiosk and benches. The project will also include the planting of native trees and shrubs, which will increase the biodiversity of the existing site and provide shade for the disc golfers. The project will provide both recreation and environmental enhancements to the area.

The City has secured a \$50,000 grant from the Utah Outdoor Recreation office to help in the construction of the course. The course is scheduled to be completed, ready for play, by summer, and will be free to the public.

Policies & Procedures

Sportsmanship and respect are mandatory in all programs. Participants, coaches, spectators, etc. may be ejected at any time without prior warning if deemed necessary.

The use of alcohol or tobacco while participating in a Draper Recreation program is not allowed. Alcohol is not permitted in City Parks.

The Recreation Department will form teams based on individual registrations to the best of their ability. All considerations will be taken into account but not guaranteed.

In youth programs, players must enroll in their current grade and play in that league. Advanced players may play "up" one grade level with authorization.

For adult programs, all participants must be 16 years or older.

Participants are encouraged to have their own insurance policy. Draper City is not liable for injury or "Acts of God". All parking is "park at own risk".

All dates and times are subject to change.

All fields/facilities used for private use need to be scheduled through Draper Parks & Recreation and all fees need to be paid in advance.

The Draper Parks & Recreation staff has final authority in all situations and circumstances.

All volunteers including youth coaches, program volunteers, committee members, Parks & Recreation staff, instructors, etc. are required to submit a Criminal History Background Check. This is done for the security and safety of our residents and participants.

If Draper City, its agents, coaches, volunteers, Parks & Recreation staff, or parents or legal guardians suspect a youth athlete has sustained a concussion or traumatic head injury while participating in a sporting event, the athlete shall be removed immediately. Upon removal of an athlete suspected of sustaining a concussion or a traumatic head injury, a written clearance from a qualified health care provider is required before the athlete can return to participate in any sporting events.

Registration periods for various programs will be established by Draper Parks & Recreation.

1. A registration form must be completely filled out and signed by a custodial parent/guardian.
2. All fees must be paid in full at time of registration.
3. Online registration is available for individual registration. Those wishing to request players on the same team must register in person at the Draper Parks & Recreation office with all registration forms together. Registrations with four or more player requests must provide a volunteer coach and completed team roster sheet. A maximum of two "comp" players are allowed per team. Requests are not guaranteed.
4. Youth are grouped on teams according to Canyons School District elementary school boundaries, charter school, or other school choice if possible, however, requests are not guaranteed.
5. Special requests including friend, coach, team, and school choice will not be accepted after the registration deadline.
6. All fees will increase by \$10 during the late registration period after the regular registration has ended.

Program Registration Refund Policy

1. A minimum of a \$10 bookkeeping fee is non-refundable for each program/registration.
2. Refund requests made before the registration period/ deadline has ended will receive a full refund minus the \$10 bookkeeping fee.
3. After the registration period/deadline has ended, a refund of 50% of program fee will be offered.
4. No refunds will be offered once the program has started, beginning with the first class, lesson, coaches meeting, etc.

Please note: All prices and fees listed here are accurate as of the time of print, but are subject to change without prior notice. Visit draperutah.gov/recreation to check for current prices

What's New in Draper Parks and Rec?

On October 13, Draper City held a ribbon cutting ceremony to commemorate the completion of a community garden at the Parks and Recreation building. Attended by Mayor Troy Walker, Councilmembers Tasha Lowery, Fred Lowry, and Marsha Vawdrey, City Manager David Dobbins, Parks and Recreation Director Rhett Ogden, and other City staff, this community garden serves to illustrate and educate on conservation efforts vital to Utah's water supplies.

This new garden features several hundred water-wise plants. Identifying signage with corresponding QR codes allows visitors to utilize their smartphones to learn more about the plants and their care. Informational signage with tips and QR codes for detailed information on irrigation and rebate programs have also been placed around the facility.

Snowfall from the winter of 2022-2023 had a significant, positive impact on the state's reservoir storage. However, drought is an ongoing concern and we must continue to use water supplies efficiently and become more drought resilient. Artificial turf installation, a rain garden with rain barrels collecting for water, and a backyard design demonstration help to illustrate steps members of the community can take to preserve water in continuing drought conditions.

The garden is open to the public seven days per week during daylight hours.

Draper City Parks and Recreation invites you to check out the newest addition to our trail system, Deer Ridge Trailhead. Located at 15258 S. Deer Ridge Drive, this new trailhead features 44 parking stalls, two picnic shelters, three picnic tables, restrooms, and a drinking fountain that features a dog bowl fountain and water bottle filler.

With scenic views of Utah County and access to the Telegraph Hiking Trail and off-leash dog area, this new trailhead is a fine addition to the City's system. Something to look forward to — we plan on building more trails within the off-leash dog area in the summer of 2024!

Reserving Parks & Pavilions

City Park or Venue Reservations

Reservations may be done in person at the Parks & Recreation office or online at draperutah.gov/recreation.

Reservations for outdoor and indoor pavilions can be made up to 12 months in advance. Reservations for fields can be requested beginning January 1 and will be awarded by the end of February each year. Needs, availability, etc. factor into field reservations. All agreements, paperwork, and fees must be completed to finalize reservations.

Outdoor Pavilion Reservations

Reservations may be made for two different blocks: 9:00 AM - 3:00 PM or 4:00 -10:00 PM.

\$40 Draper resident/business or \$60 non-Draper resident/business per block reservation for LARGE pavilions (Draper North & Galena pavilions); \$35 Draper resident/business or \$55 non-Draper resident/business for SMALLER pavilions.

A \$25 cleaning/security deposit is required, which will be refunded if left clean and complete. Cancellations/changes must be made 45 calendar days prior to reservation for refund. \$10 is non-refundable — no refunds for inclement weather.

Day Barn/Indoor Pavilion Reservations

This original dairy barn has been relocated to Draper Park and refurbished as a beautiful indoor pavilion for gatherings, parties, weddings, dinners, etc. Rental blocks are 9:00 AM - 3:00 PM or 4:00 - 10:00 PM (M - Th) or 9:00 AM - 10:00 PM (F - Su).

\$175 Draper resident/business or \$225 non-Draper resident/business per block (M - Th); \$400 Draper resident/business or \$500 non-Draper resident/business for all day (F - Su).

A \$200 refundable cleaning/security deposit is required, which will be refunded if left clean and undamaged. Cancellations/changes must be made 45 calendar days prior to reservation for a 50% refund. No refunds for cancellations made less than 45 calendar days prior to reservation or for inclement weather.

Field Reservations

Can only be made if a field is available and playable. All Draper City and affiliate programs and events take priority concerning field use. Reservations must be made in person.

\$15 per hour per field for Draper residents or \$20 per hour per field for non-Draper residents. Other conditions apply to ensure fair and equal use. Please call or visit the Parks and Recreation office.

Community Events

Community events bring people together to celebrate and connect with one another in a shared experience. These events provide opportunities for individuals to meet new people, build relationships, and strengthen the sense of community.

In addition to the positive economic impacts for the local community, these events promote civic engagement and serve as a platform for individuals, groups, and community organizations to showcase their work and engage with the public.

Beginning with the Spring Egg Hunt, join us for ten unique, fun-filled events as the weather warms and we head toward summer. Stay tuned to for the July - December 2024 Program Guide for full details on events happening in the second half of the year.

Like all of Draper's community events, these highlight the traditions of the city, giving people the opportunity to come together to enjoy activities, entertainment and food, while also promoting cultural understanding and awareness.

Memorial Day Ceremony

Did You Know?

From 1868 - 1970, Memorial Day was observed on May 30. It's been observed on the last Monday of May since 1971.

Join us as we remember and honor those Americans who have died in military service to the United States. While we should honor these heroes every day for their profound contributions, we honor them especially on Memorial Day.

This simple service will feature brief remarks, the playing of Taps, and a pause for a duration of one minute to remember those Americans who died while defending the nation.

When: May 27, 3:00 PM

Where: TBD
