Our Climate is Our Future. Future changes to our climate, from an increasing variable water cycle to extreme weather events, and how they affect us depend on the choices we make today.

Based on an assessment of over 14,000 scientific publications, the IPCC 2021 report on the Physical Science Basis of Climate Change shows we're seeing multiple changes in every part of our planet. The report answers important questions about how emissions of greenhouse gases and other pollutants are altering our climate, how plants, soils and the ocean store and release carbon, how the climate responds to human influence, and what we can expect from any increase in global warming. The report provides information on the diverse regional aspects of climate change that can support our strategies.

Vote Russ Fugal for Draper City Council to ensure that our city and infrastructure is prepared for these changes, with eyes wide open and fiscal responsibility, and is involved in **the global human effort to limit human-induced global warming to 1.5 to 2 degrees Celsius**. This is a tall ask of any policy maker who isn't laser focused on this, the greatest challenge of our time, and Russ is.

PLEDGE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of Utah has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their right to a free election, and that the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

I SHALL conduct my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing, without fear or favor, the record and policies of my opponents that I believe merit criticism.

I SHALL NOT use nor shall I permit the use of scurrilous attacks on any candidate or the candidate's immediate family. I shall not participate in or nor shall I permit the use of defamation, libel, or slander against any candidate or the candidate's immediate family. I shall not participate in nor shall I permit the use of any other criticism of any candidate or the candidate's immediate family that I do not believe to be truthful, provable, and relevant to my campaign.

I SHALL NOT use nor shall I permit the use of any practice that tends to corrupt or undermine our American system of free elections, or that hinders or prevents the free expression of the will of the voters, including practices intended to hinder or prevent any eligible person from registering to vote or voting.

I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees or volunteers.

I SHALL immediately and publicly repudiate support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of an opponent, to methods in violation of the letter or spirit of this pledge. I shall accept responsibility to take firm action against any subordinate who violates any provision of this pledge or the laws governing elections.

I SHALL defend and uphold the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of Utah, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.
